

Fenix Insight Ltd Health and Safety Policy

Health and Safety at Work etc Act 1974

Our policy is:

- To provide adequate control of the health and safety risks arising from our work activities;
- To communicate our Health and Safety Policy to all employees, visitors, contractors and other interested parties;
- To consult with our employees on matters affecting their health and safety;
- To provide and maintain safe plant and equipment;
- To ensure safe handling and use of substances including explosives;
- To provide information, instruction and supervision for employees;
- To ensure all employees are competent to perform their tasks, and to give them adequate training;
- To prevent accidents and cases of work-related ill health;
- To maintain safe and healthy working conditions and to comply with Health and Safety legal, regulatory and standards requirements, including those found within relevant sections of the International Mine Action Standards (IMAS);
- To review and revise this policy as necessary at regular intervals and to continually improve our OH&S management and performance.
